

FAMILY CHILD CARE CAPACITY WORKSHEET

(To complete form, enter youngest child first.)

Family Child Care Home: means an occupied residence in which child care is regularly provided for children from at least two unrelated households with or without compensation. A family child care home shall include household children under 13 years of age when on the premises of the family child care home or on a field trip with children enrolled in care.

Option A – A maximum of 6 children, if no more than 3 are under 18 months of age.
