 (Pre-School age is defined as children who have not yet entered Kindergarten)

***At least 2 of the above 10 children need to be Household Children. The maximum number of Child Care Children allowed is 8 at any given time.**

LARGE FAMILY CHILD CARE HOME CAPACITY

Available July 1, 2011

Large Family Child Care Home: for the purposes of this rule means a home that is licensed under section 402.3131, F.S. A large family child care home means an occupied residence in which child care is regularly provided for children with or without compensation from at least two (2) unrelated households and which has at least two (2) full-time child care personnel on the premises during the hours of operation. One (1) of the two (2) full-time child care personnel must be the operator or the operator's substitute. A large family child care home must have operated as a licensed family child care home for two (2) consecutive years, with an operator who has had a child development associate credential or its equivalent for one (1) year, before seeking licensure as a large family child care home. The two (2) consecutive years of operation as a licensed family child care home must have been in the state of Florida and within five (5) years of the date of application to operate a large family child care home. A large family child care home shall be allowed to provide care for one (1) of the following groups of children, which shall include household children under 13 years of age when on the premises of the large family child care home or on a field trip with children enrolled in care:

Large family child care homes must meet and comply with all standards of this rule at all times unless there are insufficient numbers of children in care to meet the definition of a large family child care home, in which case an additional employee is not required.

A) A maximum of 8 children from birth to 24 months of age.
