**PINELLAS COUNTY HEALTH DEPARTMENT  
TO RECEIVE ADDITIONAL PEDIATRIC FLU VACCINE**

The Pinellas County Health Department expects to receive a large shipment of pediatric flu vaccine sometime during the week of December 6. The vaccine will be distributed to pediatricians throughout Pinellas County.

The preservative-free vaccine is for children 6 – 23 months. **Pediatricians are asked to contact the health department (820-4129) to order pediatric flu vaccine for their patients.**

The Pinellas County Health Department still has pediatric flu vaccine available at its centers for children at risk. For more information about pediatric flu vaccine, contact the health department at 824-6900.
